# OUR “PRO 2 PRO” PROGRAMME

From a “Professional”, to a “Professional”, PRO2 PRO, let's share our expertise and win together!

As Novex, we believe that to share information with our colleagues; the professional promotional product distributors all around the world, is essential in order to create business for each other.

In this new 2016 catalogue, we will be showing you our ever growing plastic products line which can be used for many different promotional projects specially for FMCG.

In short, with our promotional expertise of 25 + years, based on your client's requests and our engineer's product know-how, we can adjust or redesign our products according to their needs and price target.

Please go through the following pages , let's show you our field proven, economic plastic products range that can be “delivered quickly from Turkey” with our EU certified mass production capabilities.

We are sure that we can find a way to succeed together...PRO 2 PRO!..a win/win Project.

Yes, Lunch boxes are wonderful promo items for back to school promotions.

This new mold of double sandwich box with embossed logo and multi color IML imprint was a real success story for the cheese company.

This time, we have targeted the kids with their sandwiches. The sandwich goes well with an energy giving fruit juice right? So if you buy a six pack of them, your sandwich box with a special part to carry that juice is a gift for you kiddo!

# BACK TO SCHOOL

**NEW**  
LID DESIGN

Before leaving for school in the morning, a delicious chocolate milk served in a fantastic looking drinking bottle will make your kid feel like a Champion. Such a nice way to start a school day..and imagine, it's just a wonderful gift coming together with your favourite brand.

Lunch boxes are not only targeting children, for people on the move or people who needs to carry specially made food for their diets, it's a useful gift. So you can allways combine them with different products, targeting different client groups. For reference please go to page 20 item 900371.

Kitchens are very valuable areas for promotional products. As they are being used for cooking and eating, people want to keep them clean and tight. So if you give them a nice organiser for their sink as a gift, they will buy that generous brand for their daily usage of cleaning detergents.

Our mini trash bin was a smart onpack promotion choice for the dish washing detergent and more than 100,000 pieces were sold through a successful market campaign.
